NATIONAL NURSING HOME WEEK IS MAY 10-16TH, 2009

National Nursing Home Week begins on Mother's Day, May 10th and continues until May 16th, 2009. Many nursing home residents are the people who planted the seeds that have made our community grow stronger. They have been the teachers, the business people, the parents and other community figures that represent good things that we enjoy. This week gives us a chance to honor these special residents, as well as the families, staff, volunteers and local community.

This year's Nursing Home Week theme is "Nurturing a Love that Lasts". This special week is a perfect time to visit your loved ones and friends to show you care. The special attention will make someone's day! For more information about visiting and programs please visit www.oriolhealthcare.com
