

## KARRIE A. NASON MEMORIAL SCHOLARSHIP

The newly established ORIOL FOUNDATION, a non-profit organization created by the Oriol Family, is proud to announce the KARRIE A. NASON MEMORIAL SCHOLARSHIP. This scholarship has been created to assist any current Oriol Health Care employee that works a minimum of 20 hours per week that wishes to begin or advance in the nursing field. For example - a C.N.A. advancing to LPN, LPN to RN or RN to BSN.

Interested applicants must:

- Complete an application form
- Write an essay on why you have chosen to advance your nursing career
- Provide two references – one from your manager and one from a co-worker.
  - Proof of enrollment with school name

Please see your Staff Liaison for an application and deadline information.

**Payment will be awarded directly to school.**

Karrie Nason began working for Oriol Health Care as a C.N.A. at Holden Nursing Home. She went on to become an LPN and work at Wachusett Extended Care. Karrie was a valued and respected member of the Wachusett Respiratory Care Unit when diagnosed with Lung Cancer. Karrie's husband Mike, an RN in our respiratory unit, said that Karrie always wanted to go on to get her RN. Karrie's dedication to her patients and her co-workers, along with her desire to continue on are the inspiration for this scholarship.
