

Fall 2020 Community Connections

What Oriol Health Care is doing in our community!

www.OriolHealthCare.com

Continuing through Covid-19

The past six months have been a trying time for the entire community. For all working in healthcare, there have been daily changes to regulations and concerns, the emotional toll of the restrictions and results of this disease. We are all family at Oriol - residents, patients and staff. We all fight together and care together. We will not celebrate Covid-free days without remembering those we and others have lost. Our hearts are with those families.

We would like you to know that nursing, therapy and home care do not stop when a pandemic hits! All of our companies are up and operating and are here for you and your family. Our two nursing and rehab centers are both accepting admissions and are happy to see more new rehab patients as surgeries are making a comeback. That keeps our Oriol Therapy team busy as well as the returning outpatients to our gym. Oriol Home Health has seen a steady rise in people needing nursing and comfort services in their homes. We are here to help **you** !

For Admission information or tours of any of our facilities call our Admissions Team at 508-829-1111
Or email : admissions@oriolhealthcare.com

HOW CAN **ORIO**L HEALTH CARE HELP YOUR COMMUNITY? LET US KNOW !
 Debby Osipov Director of Community Relations & Marketing at 508-829-1213

THE ORIO

Beginning in March, the "Mask Force" started with donated fabric and labor to make cloth masks for healthcare workers. It quickly became apparent that the community would be needing masks as well. With just a few people sewing and a LOT of donated fabric and time, over 5,000 masks have been donated to members of the community, several businesses and other charitable organizations. Please message Debby if you need any masks or to make a donation.

Oriol Foundation is a 501(c)(3) organization and your donations are tax deductible to the full extent of the law.

Program Update: Unfortunately we are unable to hold gatherings in our nursing centers. This has placed all community education on hold. Debby is working to establish some lectures via video or web. Senior Fitness is on hiatus until we can once again sponsor in a safe environment. If you have any ideas for going forward with health programs feel free to email or call Debby. Please keep an eye on our Facebook pages for all of our news, photos and announcements.
